Ibiza

Jeep Safari 4x4

Duration : 6h approx.

ITINERARY:

An alternative for those with an adventurous spirit who want to discover the island in a different way. The off road vehicles allow us to drive in normally inaccessible roads and so discover the most savage places of the island with breathtaking views.

The trip leads through the mountain range of the North, through solitary roads along the coast and through hidden valleys and pine forests. At midday a well earned lunch will be served in a restaurant in the interior of the island consisting of chicken, salad, chips and seasonal fruit. After lunch we stop at "Benirras", the bay still remains the popular venue of last hippies, for a swim before returning to the hotels.

** Drinks not included

** Children under 6 years old not allowed
