Mallorca
Regular Tours

Mallorca

Full day island tour

Duration : 8h

ITINERARY:

Departure from hotels towards **Inca**, famous for its leather goods. After this stop we will go towards **La Calobra** and its famous cliff, crossing the northern mountains of Mallorca.

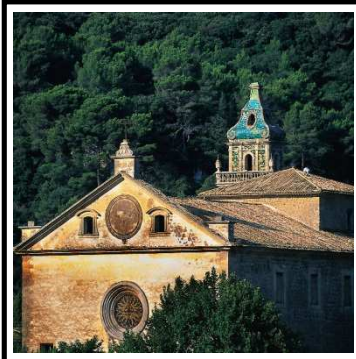

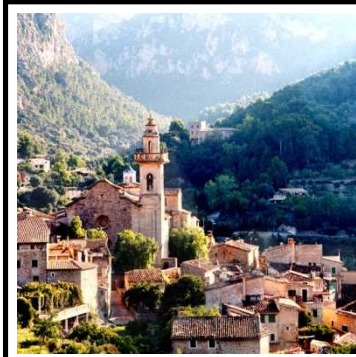

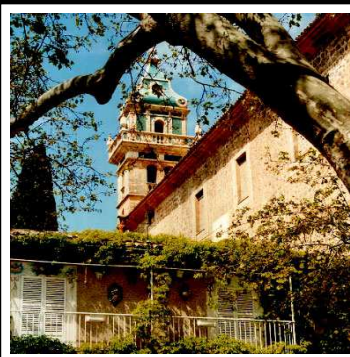

During the afternoon we will enjoy a boat trip to the **Port of Soller** seeing the impressive cliffs of the north of the island. From Soller we will board the picturesque train that will take us to Palma from where we will return to our hotels. (Itinerary may vary depending on boat and train ride times).

Mallorca

Valldemossa half day

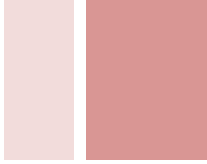

Duration : 4h

ITINERARY:

Interesting excursion that visits one of the most unknown areas of Mallorca, the west coast offers magnificent views and the last of the ancient "**bancales**" (Small terraced areas enabling plantations on the mountain).

Following this route we arrive at the picturesque villa of **Valldemossa** where George Sand and Chopin spent the 1838-39 winter. We will visit "La Cartuja" its old pharmacy, the church and also the different cells once occupied by the Carthusian monks.

Mallorca

Inca market half day

Duration : 4h

ITINERARY:

There are markets in almost every town and village in Mallorca. In the center of the island the town of **Inca** holds the largest. Inca is world famous for its leather factories and included in this trip is a stop at one of its factory shops.

Mallorca Caves of Drach

Duration : 8h

ITINERARY:

Drive across the Island through the Mallorca countryside where windmills are still used to pump up water from the underground reserves.

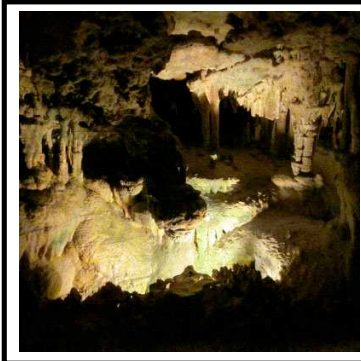

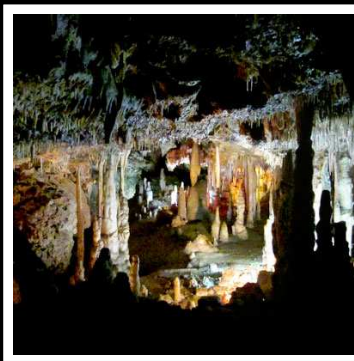

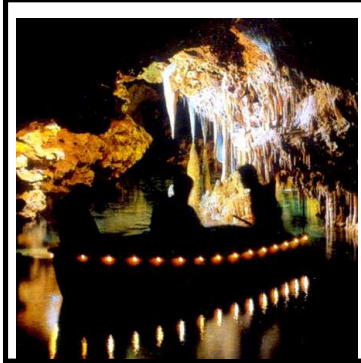

Visit the **Caves of Drach**, to admire its incredible stalactites and stalagmites and enjoy the classic concert that is given on the subterranean freshwater Lake Martel.

Mallorca

Caves dels Hams

Duration : 8h

ITINERARY:

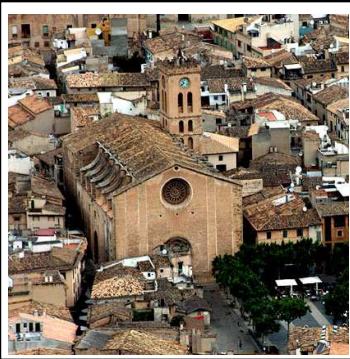

Drive across the Island through the Mallorca countryside where windmills are still used to pump up water from the underground reserves. Visit the **Caves of Hams**. The cave's beauty is enhanced by the special lighting designed by D. Lorenzo Caldenty, the discoverer's son.

Mallorca

Formentor & Pollensa full day

Duration : 8h

ITINERARY:

Crossing the island to the north - **Port of Pollensa** - passing through the town of Inca and making a stop in one of its factories. In the port we'll have some free time before making a short boat trip to **Formentor**. The coastline is considered one of the most beautiful on the island, especially at "**Miradordés Colomer**", where we'll stop.
